# Tractor Safety Course

Tractor safety courses are being offered through the PEI Federation of Agriculture in partnership with the FCC Ag Safety Fund.

These 2 day courses will be offered through JVI Driver Training in Summerside and will cover practical and hands on learning with a focus on safety. This course is ideal for new and returning workers who would like experience in operating a tractor. At the end of the 2 day course there will be an opportunity to write your tractor license test. Youth over 14 are welcome to attend.

Adult course- May 20th-21st

Youth course ( ages14-18) — May 23rd-24th

\$20 registration fee

Space is limited please contact 902-368-7289 to register.
